

LEARN CLAIMIT - ADVERTISING

Why Advertise With Claimit

Reach highly targeted local audiences through Claimit's hyperlocal advertising platform. Connect with customers where they live, shop, and engage, while increasing brand visibility, awareness, and customer response.

Home Page Hero Ads Advertising

Capture instant attention with premium 15-second videos or eye-catching image advertisements displayed on the Claimit Home Page. Maximise brand visibility, showcase your products, services, offers, and campaigns, and create a strong first impression with every app visit.

Nearby Deals Advertising

Promote location-based offers directly to nearby customers actively searching for businesses and services. Nearby Deals help increase visibility, attract footfall, and drive customer engagement within specific pin codes and local markets.

Brand Deals Advertising

Showcase your products, services, and promotions to a broader audience through Brand Deals. Increase awareness, strengthen brand recall, and reach customers across multiple locations through targeted campaigns.

Promo Reelz Advertising

Capture attention with short, engaging promotional videos displayed within the Claimit app. Promo Reelz provide an effective way to showcase products, services, offers, and brand messages to an active audience.

Notification Campaigns

Deliver timely promotional messages directly to users through targeted app notifications. Increase awareness, drive customer action, and promote offers, events, and campaigns with immediate visibility and reach.

Targeting & Reach

Leverage Claimit's hyperlocal targeting capabilities to reach customers by location and audience relevance. Maximize advertising efficiency, improve campaign performance, and connect with consumers most likely to engage with your business.
