

LEARN CLAIMIT - CUSTOMER

How Claimit Works

Learn how Claimit helps you earn Reward Points, enjoy discounts, and receive cashback while shopping at participating businesses. Discover how easy it is to shop, scan bills, earn rewards, redeem points, and save more every day.

How to Earn Rewards

Shop at participating Claimit businesses, scan your bill using the Smart Bill Scanner, and earn Reward Points based on your purchase value. Every eligible transaction also rewards you with 1% cashback, making every purchase more rewarding.

How to Redeem Rewards

Search for Claimit Redeem Zone businesses, visit your preferred store, and redeem your Reward Points for instant discounts. Simply show the redemption screen at billing and enjoy savings while continuing to earn new rewards and cashback.

How Cashback Works

Every eligible purchase earns you 1% cashback, which is credited directly to your Cashback Wallet. As your cashback grows, you can transfer the accumulated amount to your bank account once the minimum withdrawal threshold is reached.

How to Scan Bills

Use the Claimit Smart Bill Scanner to quickly capture and upload your purchase bills. The scanner reads bill details, validates purchases, and credits Reward Points and cashback to your account, making the earning process simple and seamless.

Understanding Reward Zones

Reward Zone businesses allow you to earn Reward Points and cashback on eligible purchases. Shop normally, scan your bill, and watch your rewards grow. It's an easy way to turn everyday spending into valuable future savings.

Understanding Redeem Zones

Redeem Zone businesses let you use your accumulated Reward Points for instant discounts. Enjoy savings on your purchases while continuing to earn fresh Reward Points and cashback on the final bill amount.

Nearby Deals Explained

Explore special promotions and offers available from businesses around your location. Nearby Deals help you discover discounts, promotions, and savings opportunities from participating Claimit merchants in your neighborhood.

Using Your Reward Wallet

Your Reward Wallet stores all the Reward Points you earn through purchases. Track your balance, view your reward history, and use available points at participating Redeem Zone businesses for valuable discounts.

Using Your Cashback Wallet

Your Cashback Wallet keeps track of all cashback earned from eligible purchases. Monitor your balance, review transactions, and transfer cashback to your bank account once the required minimum amount is reached.
