

LEARN CLAIMIT - MERCHANTS

How Claimit Helps Your Business

Claimit helps businesses attract new customers, increase repeat visits, and strengthen customer loyalty through rewards, discounts, and cashback. Gain greater visibility among nearby customers while turning everyday transactions into opportunities for long-term business growth.

Customer Loyalty Made Easy

Build stronger relationships with your customers through a rewards-driven engagement platform. Encourage repeat purchases, improve retention, and create reasons for customers to return regularly to your business.

Increasing Repeat Business

Claimit motivates customers to revisit your business by rewarding every eligible purchase. Through Reward Points, discounts, and cashback, businesses can increase customer frequency, improve sales, and strengthen long-term customer relationships.

Merchant Cashback Benefits

Participating merchants earn 1% cashback on eligible customer purchases. This additional benefit helps businesses maximize value from every transaction while encouraging continued participation in the Claimit rewards ecosystem.

Merchant Registration Process

Joining Claimit is simple. Complete your business registration, provide the required details, choose your participation model, and start connecting with nearby customers through rewards, cashback, offers, and promotions.
